Efficient and supportive claims process	✓	✗

How we make winning easier for brokers

Ease

Ease of doing business: We make insurance simple, providing you and your clients with the speed and ease you need from submission, bind, claims resolution, and beyond.

Speed and responsiveness: Our 1-1-1 support system pairs you with an expert underwriter, program manager, and business development support for each program.

Expertise

Specialized knowledge: Our team of industry experts provide you with programs tailor-made for your clients' needs.

Market insights: Harness our 35+ years of deep industry expertise to support your clients.

Care

Best-in-class claims processing: Our dedicated, expert staff works tirelessly to protect the interests of your clients.

Customer resources: We provide timely program enhancements that keep pace with current events impacting your clients.

"[NIP Group's] niche focus and specialized expertise are truly unmatched, making them a preferred choice in the insurance market"
