

Tailored Risk Control Services

Our proprietary Learning Management System (LMS) proactively helps businesses lower risk, reduce claims, and lower the overall cost of insurance.

NIP Group's dedicated team of safety professionals provide clients with 35+ years of industry knowledge through:

- **Scheduled consultative visits** for training, inspections, and risk identification.
- **Regularly issued industry-specific safety bulletins** to educate clients.
- **Transparent approach to claims** allows easy access to claims status and summaries.

+15% average reduction in claims frequency and severity

2 languages available (English and Spanish)
