

Summary Checklist: Tree Care Pre- Submission Checklist

- ☐ Disclose all geographic territories and service offerings
- ☐ Separate standard tree care payrolls and line-clearing payrolls
- ☐ Verify work that's within 10 feet of energized power lines
- ☐ Submit all employee certifications and trainings
- ☐ Collect subcontractor COIs and hold-harmless agreements
- ☐ Carefully review policy exclusions and endorsements
- ☐ Study and enforce OSHA standards for tree care and power line safety under 29 CFR 1910
- ☐ Carry specialized tree care insurance that provides protection for all risks, including any applicable line-clearing exposures
