

Summary Checklist: 10 Questions to Ask Before Submitting Snow Removal Accounts

- ☐ What services do you currently offer?
- ☐ What triggers your responsibilities under the contract?
- ☐ Will you provide automatic service or remain on call?
- ☐ Have you defined the exact scope of your services, including boundaries?
- ☐ What subcontractor risk controls do you have in place? (E.g., COI requirements, additional insured requirements, hold-harmless agreements.)
- ☐ Do you conduct site assessments before beginning a job?
- ☐ Have you mapped out snow removal routes, drainage patterns, and stacking locations? Have you identified and marked any hazards?
- ☐ How will you keep your crew and any subcontractors accountable?
- ☐ How will you handle monitoring and de-icing if refreezing occurs?
- ☐ What documentation procedures do you have in place?
